1. The IIWG/NP will meet to discuss warning-related matters at 1330 hours on Wednesday, 23 June 1982, in Room 7E32 CIA Headquarters.

2. The following topics will be discussed:

- Pakistan. Progress in weapons-related work and materials acquisition
- India. Status of nuclear test preparations and a current assessment of the political incentives/disincentives to move ahead with a test explosion.
- Argentina. Recent information suggesting any shifts in goals for the Argentine nuclear program, specifically incentives that might exist in the aftermath of the Falklands conflict to develop and acquire nuclear weapons; regional implications.

Members are also invited to raise other topics at the meeting for discussion.

3. DCID 1/2 Priorities. Representatives also are requested to review the current DCID 1/2 priorities for the nuclear proliferation subcategory. Proposals for any downward revisions should be tabled at the meeting.
